Property description:  
Beautifully maintained 2-story, fully furnished 1-bedroom 1-bath apartment with an exceptional location in the wonderful Cambridgeport neighborhood! 14 1/2 Rockwell is a separate unit with lots of sunlight available for rent behind 14 Rockwell St (where we the owners live). This is in a prime location between Harvard and MIT, only 8 blocks (0.4 miles) to Central Sq subway station and restaurants, only 3 blocks to Whole Foods supermarket and Walgreens pharmacy, and only 5 blocks to the Charles River and its bike paths. There are also 8 neighborhood parks within an 8-block radius for plenty of green outdoor options!  

This unit is available immediately, and we can be flexible with start end dates depending on your needs. We are happy to do showings virtually or in person (with the appropriate and recommended precautions). We look forward to finding someone or a couple who would be a great fit -- including non-partier(s) -- since we will be living next to each other. Thank you!
