Welcome to 10 Akron Street
Here is some information to get you settled in your new home. You can get additional Welcome and Arrival information on the Resident section of our website.

Building Access
A Harvard University ID or Authorized Occupant ID is required for building and laundry room access. If you do not have an HUID or Authorized Occupant ID when you arrive, temporary access cards for you and any authorized occupants will be included in the lockbox with your keys/fobs.

Please contact the Campus Service Center for information on obtaining your permanent University ID card(s). Once you have them, the Property Management Office can add building access and provide instructions on where to return the temporary card(s).

Connecting to the Internet
Internet access is provided by XFINITY wireless service. The xfinity flyer has information about creating an account (including the network and network password) and registering your devices. Please call the Comcast Support Team at 866-848-0281 if you need help setting up your account and logging on.
